1. I would appreciate it if you or your designee would meet with me on Wednesday, 26 May 1954, at 2:30 p.m. in Room 1128 M Building to discuss in an exploratory way the above subjects.

2. Mr. Newpher maintains in VOA, New York, some reference facilities which will probably be located in the NEW Building at Third and Independence, SE, when the VOA move to Washington is completed this fall. Some notes on our visit with Mr. Newpher are attached for your information at Tab A.

3. Certain files are currently maintained in the Special Materials section of IPS in USIA, Washington.

4. Certain files are also maintained by IPS in the field of still photography. (See Tab B).

5. While I have not studied these problems sufficiently to have any firm solutions in mind, I do feel that some arrangements among the units addressed can result in mutual benefit.
